|         |                  | <p><b>Migration:</b></p> <p>The Insured Person will have the option to migrate the Policy to other Health Insurance products/plans offered by the company by applying for migration of the Policy at least 30 days before the Policy renewal date as per IRDAI guidelines. If such person is presently covered and has been continuously covered without any lapses under any Health Insurance product/plan offered by the company, the Insured Person will get the accrued continuity benefits to the extent of the Sum Insured, No Claim Bonus, Specific Waiting Periods, Waiting Period for pre-existing diseases, Moratorium Period etc. in the previous Policy to the migrated Policy, as applicable.</p> <p><b>Portability:</b></p> <p>The Insured Person will have the option to port the Policy to other Insurers by applying to such Insurer to port the entire Policy along with all the members of the family, if any, at least 30 days before, but not earlier than 60 days from the Policy renewal date as per IRDAI guidelines. If such person is presently covered and has been continuously covered without any lapses under any Health Insurance Policy with an Indian General/Health Insurer, the Proposed Insured Person will get the accrued continuity benefits to the extent of the Sum Insured, No Claim Bonus, specific Waiting Periods, Waiting Period for pre-existing disease, Moratorium Period etc from the Existing Insurer to the Acquiring Insurer in the previous Policy, as applicable.</p> <p><b>Moratorium Period:</b></p> <p>After completion of five continuous years of coverage (including portability and migration) in health insurance policy, no policy and claim shall be contestable by the insurer on grounds of non-disclosure, misrepresentation, except on grounds of established fraud. This continuous period of five years is called as moratorium period. The moratorium would be applicable for the sums insured of the first policy. Wherever the sum insured is enhanced, completion of five continuous years would be applicable from the date of enhancement of sums insured only on the enhanced limits. The policies would however be subject to all limits, sub limits, co-payments, deductibles as per the policy contract.</p> |                   |
| 13.     | Your Obligations | Please disclose all Pre-Existing Disease(s) or condition(s) before buying a Policy. Non-Disclosure may result in claim not being paid and termination of Your Policy. Please specify all Material Facts. "Material facts" for the purpose of this Policy shall mean all relevant information which will enable Us to take informed decision in the context of underwriting the risk.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                   |
